Thank you!! That could be his dad or him (they are all Pauls), but that will work. Trip is actually Paul but he is the third (so that is why they call him Trip... because that is the third...)... it made more sense when he explained it. ☺

Thanks!

Is his real name "Paul" McConkey? That's who I have listed as the owner of Penn Plaza. (b) (6)

Ladies,

I need to email Trip McConkey from Penn Plaza. Does anyone have his email address or phone number (email would be better, but phone number is better than nothing).

Thanks!!
Allison
